Mr. Abelon, our former principal and one of the primary founders of this academy, passed away in May 2005 of pancreatic cancer. Now, we would like to hold the 4th Annual Abelon Memorial—Pancreatic Cancer Action Network Walk on May 15, 2010. This memorial walk will commence at CIBA, 857 Forbes Street, East Hartford, CT.

CIBA—SAB is working in association with the Pancreatic Cancer Action Network, a national non-profit organization that promotes education and research. We hope to get the entire school involved in planning, sponsoring, and attending the walk. The profits from the walk will be split between the Pancreatic Cancer Action Network and the Michael Abelon Scholarship Fund.

**If you would like to support these two wonderful causes, but are unable to attend the walk, you may collect and send donations to the address listed on the back,.
