Mr. Abelon, our former principal and one of the primary founders of this academy, passed away in May 2005 of pancreatic cancer. Now, we would like to hold the 10th Annual Abelon Memorial Walk on May 16, 2015. This memorial walk will commence at CIBA, 857 Forbes Street, East Hartford, CT.

CIBA—SAB is working in association with the Lustgarten Foundation, a 501c3 non- profit organization founded in 1998, that promotes research and the Michael Abelon Memorial Foundation, Inc, a 501c3 non-profit organization founded in 2010, which supports higher education through an annual scholarship awarded to a deserving graduating CIBA senior who best exemplifies the values and qualities that Mr. Abelon wished to instill in each and every student.

We hope to get the entire school involved in planning, sponsoring, and attending the walk. The profits from the walk will be split between the Lustgarten Foundation and the Abelon Memorial Scholarship Fund.

**\*\*If you would like to support these two wonderful causes, but are unable to attend the walk, you may collect and send donations to the address listed on the back.**
